

# The Matthew of Bristol

Help us preserve this icon of Bristol,  
created to celebrate the 500th  
anniversary of John Cabot's 1497  
voyage across the Sea of Darkness to  
the New Founde Landes of North  
America. Available for all manner of  
maritime functions

Our aim is to create an RLS Treasure Island Trail  
around Bristol's historic Harbourside and a statue  
of Long John Silver in the guise of Robert Newton -  
the finest ever portrayal of the legendary scallywag
